

“ THE FIRST EVER GAME MADE BY ITS OWN COMMUNITY! ”

Crazy Dreamz: Best Of launches after winning “Best Video Game” and €100k investment in Monaco

Dreamz Studio has hand-picked 100 levels and transformed them into a brand new, award-winning game, with community creators set to receive a 50% slice of revenue.

MARCH 22, 2018 — Dreamz Studio, in partnership with co-producers Shibuya Productions, has [launched Crazy Dreamz: Best Of](#), a crowd-developed game featuring 100 of the very best levels created by the game’s community of players. In a landmark decision by the development team, these creators will receive 50% of the game’s revenue for their efforts. *Crazy Dreamz: Best Of* was recently awarded “Best Video Game” at Monaco Anime Game International Conferences, also referred to as M.A.G.I.C. This award earned the game a whopping €100,000 investment by Shibuya Productions.

Following *Crazy Dreamz: MagiCats Edition*’s launch into Steam Early Access in September 2017, players have designed over 20,000 levels using *Crazy Dreamz*’ in-game level editing and visual programming interface. In the interest of giving back to their level-editing community, Dreamz Studio have selected the 100 best levels and overhauled them with new artwork and effects in this new release.

Crazy Dreamz: Best Of launches on Steam on Thursday, March 22, 2018. The original *Crazy Dreamz* will continue to be improved as part of Steam’s Early Access program, and is also available via iOS and Android.
